LSMSA Fight Song
Premiere
Al Benner

Throughout the great state of Louisiana, students come from far and near.
To be among the best, that is a noble quest, at a place they will hold so dear.

Chorus
Soar Eagles soar, to a victory of lore. It’s a mathematical fact of a scientific act, an oh so clever, artistic endeavor. Fight Eagles fight, we will show our strength and might. In any language you will hear a historical cheer, when the computation done, you will know we have won at the Louisiana (Fight Eagles Fight), Louisiana (Soar Eagles Soar!), Louisiana (LSMSA) School.
Near the banks of the beautiful Cane River, on the campus of NSULA.
Shining bright above the rest, a school that is the best, it is called LSMSA.

Chorus

All of the works above except At the Game were either arranged or rearranged for this ensemble by Al Benner.
